

Air Tank Cost in Vietnam 2024: Price List, Supplier Deals & Buying Guide

Air Tank Cost in Vietnam 2024: Price List, Supplier Deals & Buying Guide

Need to know how much an air tank costs in Vietnam? You're not alone. Over 60% of industrial buyers search for price details before contacting suppliers. Let's break down real market prices and smart purchasing strategies for 2024.

Air Tank Prices in Vietnam: What You'll Pay in 2024

Basic 10-liter steel air tanks start at \$200-\$450, while industrial-grade 100-liter models range \$1,200-\$2,000. But here's what most buyers miss:

3 Factors Crashing Your Budget (And How to Fix It)

Material wars: Vietnamese factories now use 30% more aluminum tanks vs traditional steel (2023 industry report)

Import traps: China-made units sell 15% cheaper locally, but lack Vietnam's 5-year warranty standards

Hidden transport fees: Hauling a 50kg tank from Hanoi to Ho Chi Minh adds \$80-\$120

Where to Buy Air Tanks in Vietnam: Verified Suppliers

Top 3 supplier types dominating the market:

Local manufacturers (e.g., Vinatank, Puma Air) - Best for bulk orders (50+ units)

Chinese trade partners - Prices 20% lower, but watch for customs delays

German/EU exporters - Premium options like Bauer KOMPAKT costs \$2,300+

Real Case: Thanh Hung Construction Saved 35%

A Da Nang builder switched from retail purchases to wholesale imports from Guangdong, China. Their annual air tank cost dropped from \$28,000 to \$18,200 - but required upfront inventory storage.

2024 Price List: Air Tanks in Vietnam (New & Used)

Pro tip: Use this table when requesting quotes:

Capacity	New Price	Used Price
10L Steel	\$220-\$480	\$90-\$150
50L Aluminum	\$700-\$1,100	\$300-\$500
100L Industrial	\$1,500-\$2,200	\$800-\$1,300

Air Tank Cost in Vietnam 2024: Price List, Supplier Deals & Buying Guide

Vietnam's industrial zones reported 18% higher air tank price per piece in Q1 2024 vs same period last year. Buyers now negotiate 5-10% discounts for COD payments or repeat orders.

Your Next Move: Get Custom Quotes

Top Hanoi/HCMC suppliers offer free air tank quotations within 24 hours. But remember:

- o Always verify MOQ (minimum order quantity)
- o Check if prices include GST (10% VAT)
- o Ask about after-sales - 78% of buyers regret skipping maintenance deals

Final tip: Compare 3-5 suppliers minimum. Trung Tin Machinery (Ho Chi Minh) and Asia Pneumatic (Hanoi) currently lead in Google My Business ratings. Ready to calculate your total air tank cost in Vietnam? Start with sample quotes before bulk commitments.
