Best Core Drilling Rig in France 2025: Price List, ROI & Supplier Deals

Need a reliable core drilling rig in France but confused about upfront costs or ROI? You're not alone. Over 65% of construction firms report wasted budgets from poor equipment choices. Let's cut through the noise.

Why French Buyers Choose These 3 Brands

France's EUR220B construction sector demands rigs that handle everything from Paris metro expansions to Alpine tunneling. Here's the breakdown:

HTS France - 40% market share, ISO-certified motors

Atlas Copco - German engineering adapted to French geology

Boremaster EU - Budget rigs starting at EUR8,500/unit

Price vs Performance: 2025 Cost Trends

Average core drilling rig price per piece rose 12% since 2023 due to EU carbon tariffs. But smart buyers offset this:

BrandEntry PriceROI (Months)

HTS FranceEUR28,90014

BoremasterEUR9,20018

Atlas CopcoEUR43,00011

How Marseille Port Saved EUR164K in 6 Months

When expanding berth capacity, Marseille's contractors faced hard limestone. Their old rigs caused 3-week delays. Solution? They leased 4 Atlas Copco PowerDrill XT units with diamond bits. Result:

26% faster drilling

EUR52K saved on diesel costs

Completed phase 3 months early
