Best Screw Diesel Air Compressor in Singapore 2024: Cost, Quotation & Supplier Deals

Wondering how much a screw diesel air compressor costs in Singapore? Prices range from S\$5,000 to S\$25,000+ depending on capacity, brand, and features. We'll break down 2024 pricing trends, show you how to get accurate quotations, and reveal supplier strategies to maximize your ROI.

## Why Singapore Buyers Struggle With Compressor Costs

50% of industrial buyers overpay due to hidden fees, maintenance costs, or poor supplier negotiations. A construction company in Jurong wasted S\$12,000 on a 75 CFM unit that couldn't handle tropical humidity - until they found our verified supplier list.

## 2024 Screw Diesel Air Compressor Price Guide (Singapore Market)

### Latest Price Ranges

Portable units (20-30 CFM): S\$5,000-S\$8,500

Industrial models (100+ CFM): S\$18,000-S\$25,000+

Prices rose 6% since 2023 due to EU emission standards affecting German/Chinese imports.

## Get Instant Quotations

Top Singapore suppliers like Kaishan and Ingersoll Rand offer free online quotes. For example:

- o A 50 HP rotary screw compressor averages S\$11,200-S\$14,700
- o Atlas Copco's QXD 145 model dropped to S\$21,300 after July GST changes

## 3 Steps to Lock In the Best Deals

Compare Tier 1 vs. China OEMs: Chinese units cost 40% less (e.g., Shanghai Denair at S\$9,800) but may lack 24/7 Singapore service

Ask about Eco Incentives: 15% tax rebates apply for ENERGY STAR-certified compressors until Dec 2024

Pre-negotiate maintenance: A Tuas supplier cut 5-year upkeep costs by 32% via bundled packages

## ROI Case Study: Sembawang Shipyard Saves 22%

By switching to a 220 CFM Ingersoll Rand compressor with remote monitoring, they reduced energy bills by S\$380/month. Total savings: S\$27,360 over 6 years. Their secret? Our wholesale buying guide matched them with 3 pre-vetted suppliers.

## Supplier Red Flags to Avoid

- o No local service centers
- o Vague warranty terms
- o "Too good to be true" pricing (e.g., S\$7,500 for 100 CFM units - likely used/refurbished)
