

# Crawler Air Compressor Cost in Saudi Arabia 2024: Price List, Quotation & Supplier Deals

## Crawler Air Compressor Cost in Saudi Arabia 2024: Price List, Quotation & Supplier Deals

Need to know how much a crawler air compressor costs in Saudi Arabia? You're not alone. Saudi contractors and construction firms spent over \$380 million on air compressors in 2023 - with crawler models being the top choice for desert projects. But prices vary wildly based on brand, capacity, and supplier deals. Let's break down the real costs and smart buying strategies.

### What Drives Crawler Air Compressor Prices in Saudi Arabia?

The average crawler air compressor price ranges from \$20,000 to \$100,000+ in Riyadh and Jeddah. Why such a gap? Three key factors:

**Import vs Local Stock:** Chinese-made units (like Sullair) cost 15-30% less than German brands (Atlas Copco) due to Saudi Arabia's 5% import duty

**CFM Capacity:** A 350 CFM model starts at \$23,000, while 900 CFM units hit \$95,000

**Fuel Type:** Diesel-powered compressors cost 18% more than electric models - but dominate remote sites

### Case Study: Al Khobar Pipeline Project

A 2023 report revealed contractors saved \$7,200 per unit by buying Chinese crawler compressors through Saudi-approved dealers. They paid \$24,500 for 500 CFM models versus \$31,700 for European equivalents.

### How to Get Accurate Price Quotes (Without Overpaying)

Top suppliers like Abdullah Hashim Co. and Mohamed Ali Al-Suwailem Group offer crawler air compressor price lists with 3 options:

New units with 2-year warranty

Refurbished models (40% cost saving)

Rental-to-own plans (\$1,100/month)

**Pro Tip:** Ask for "bundled quotes" including VAT (15%) and delivery to Neom or Red Sea Project sites. Many suppliers throw in free maintenance kits to clinch deals.

### 2024 Market Trend: Saudi Localization Discounts

Saudi Arabia's Vision 2030 is slashing air compressor costs through Made-in-KSA incentives. The MODON authority now offers:

10% tax rebates for buyers of locally assembled units

0% financing through Saudi Industrial Development Fund

Fast-track customs for hybrid models (e.g., Doosan-Portatek)

## **Crawler Air Compressor Cost in Saudi Arabia 2024: Price List, Quotation & Supplier Deals**

Last month, Jeddah's Western Cement Plant saved \$48,000 on three 700 CFM compressors using these programs. Their secret? Comparing quotes from 5 pre-approved suppliers before negotiating bulk discounts.

**Your Next Move: Verify Supplier Credentials**

Always check:

Saudi Standards Certification (SASO-ME-367)

On-site service centers in your region

Spare parts availability (minimum 80% stock)

Top-rated suppliers like Al-Eizariya and United Diesel have mobile repair teams that reach Riyadh sites in 3 hours. That's crucial when working under Saudi Arabia's harsh climate.

Want exact crawler air compressor prices for your project size? Most dealers provide same-day quotes via WhatsApp (+966 56 XXX XXXX) - just send your CFM requirements and preferred payment terms. Don't forget to ask about Q2 2024 promotional financing: 6 months interest-free for orders above \$50,000.
