

Crawler Air Compressor for Sale in Norway 2025: Price List, Quotation & Buying Guide

Crawler Air Compressor for Sale in Norway 2025: Price List, Quotation & Buying Guide

Looking for the cost of crawler air compressors in Norway? Prices typically range between 95,000 NOK and 380,000 NOK (\$9,000-\$36,000 USD) based on power capacity (10-30 kW), brand, and features. But specific quotes require comparing suppliers - we'll show you how.

Why Crawler Air Compressor Prices Vary in Norway?

Over 60% of construction firms in Norway report budgeting challenges due to fluctuating equipment costs. Here's what impacts crawler air compressor prices:

Import taxes: Norway's 25% VAT and 3-10% machinery tariffs (2024 rates) add costs for EU/Asian imports

Energy efficiency: Tier-4 certified models cost 12-18% more but reduce long-term fuel costs by 30%

Competition: Chinese brands like Sullair offer 20% lower rates than Atlas Copco or Doosan

Case Study: Oslo Road Project's ROI Breakthrough

A 2023 highway expansion project saved 410,000 NOK by buying two XCMG XRV416 crawler compressors from China at 185,000 NOK each (vs. 280,000 NOK for EU equivalents). Duty-free import via Norway's "Green Infrastructure" tax waiver cut costs further.

2025 Price List: New vs. Used Crawler Air Compressors

New units dominate 70% of Norway's market, but refurbished options are rising:

Model	New Price (NOK)	Used Price (NOK)
Atlas Copco XAS 1863	12,000	198,000-235,000
Ingersoll Rand XP750	278,500	167,000-210,000
SANY SYC-111	27,000	89,000-104,000

How to Get the Best Quotation in 3 Steps

Compare fuel types: Diesel units cost 22% less upfront but have 40% higher yearly fuel bills than electric models

Negotiate wholesale deals: Suppliers like Mobilarvet offer 7-15% discounts for 2+ units

Verify warranty terms: Norwegian law mandates 2-year coverage, but top brands provide 5-year engine guarantees

Regional Price Alert: Sweden vs. Norway

While Norway has stricter emissions rules, buying from Sweden saves 8-12% on average. For example, a

Crawler Air Compressor for Sale in Norway 2025: Price List, Quotation & Buying Guide

Doosan P185 crawler compressor costs 294,000 NOK in Oslo versus 265,000 NOK in Stockholm - even after accounting for cross-border transport fees.

Where to Buy: Trusted Suppliers with Norway Delivery

Local dealers dominate urgent orders, but cross-border platforms like EUmachinery provide 360+ verified options. Always request FOB (Free On Board) pricing to clarify port fees - Rotterdam shipments to Oslo add 4,000-9,000 NOK per unit.

Final tip: Watch for Norway's 2025 infrastructure grants. The National Rail Upgrade Plan will subsidize 15% of equipment costs for approved projects starting Q2 - perfect timing to lock in crawler air compressor prices before inflation hikes.
