Drilling Bit Rental Cost Per Month India 2025: Price List, Quotation & Supplier Deals

Need drilling bit rental services in India but worried about hidden fees? You're not alone. Rising infrastructure projects and mining activities have spiked demand for cost-effective rental solutions. Let's break down the real price tags and show you how to save up to 30%.

What Drives Drilling Bit Rental Costs in India?

India's drilling rental market grew 15% last year, with monthly rates ranging from INR10,000 to INR45,000.

Three factors dominate pricing:

Bit type: Tricone bits cost INR28,000/month vs. PDC bits at INR38,000

Project duration: 6-month contracts get 12% discounts

Supplier location: Gujarat rates are 17% lower than Maharashtra

Case Study: Delhi Metro Phase IV Saved INR2.4 Crore

By switching to monthly drilling bit rentals from outright purchases, contractors cut equipment costs by 34%. They used hybrid bits at INR32,500/month and reused 60% of inventory across sites.
