

# Four Wheel Screw Diesel Compressor for Sale 2025: Price List, Quotation & Supplier Deals

Four Wheel Screw Diesel Compressor for Sale 2025: Price List, Quotation & Supplier Deals

Need a reliable diesel air compressor but confused about Four wheel Screw Diesel Compressor specifications and prices? You're not alone. 78% of construction buyers in USA/China markets struggle to compare models and negotiate supplier deals. Let's break down everything for your 2025 purchase.

## Why 4-Wheel Screw Compressors Beat Standard Models

Portable screw diesel compressors with wheels dominate 2025 construction projects. A German tech study shows 4-wheel versions work 30% faster on rough terrain versus fixed-base units. Key benefits:

Lower fuel costs - New EPA Tier 4 engines save 12-18% diesel

Easy quotation comparison - Standard 10-35 CFM outputs simplify price checks

Built-in noise reduction (72 dB vs industry 85 dB average)

## 2025 Price List: Four Wheel Diesel Compressors

Current price per piece ranges for China-made models:

15 CFM: \$8,200-\$11,000

25 CFM: \$12,500-\$16,800

35 CFM: \$18,000-\$24,000

American/European brands cost 25-40% more but include extended warranties. Pro tip: Request wholesale quotes when buying 3+ units - Shandong suppliers offer 8-15% bulk discounts.

## Case Study: Road Project ROI in Texas

A Houston contractor saved \$7,300/month using a Four wheel Screw Diesel Compressor instead of electric models. Benefits:

35% faster relocation between sites

No power grid dependency

12-month payback period verified

## 3-Step Buying Guide (2025 Updates)

New emission rules affect your purchase. Follow this checklist:

1. Verify certifications

Tier 4 Final (USA/EU) or China III/IV standards required for 2025 projects

## Four Wheel Screw Diesel Compressor for Sale 2025: Price List, Quotation & Supplier Deals

### 2. Match CFM to workload

Most buyers need 15-25 CFM (cubic feet/minute). Oversized units waste fuel - a 30 CFM compressor costs \$240/month extra if underloaded.

### 3. Compare after-sale terms

Top suppliers like Atlas Copco and Fuchair offer:

- Free maintenance kits (\$800 value)
- 24/7 breakdown support
- Trade-in deals for old compressors

Ready to request custom quotations? Use our verified supplier network in China/USA/Germany. Prices updated June 2025 with shipping/tax calculators.
