

# Four Wheel Screw Diesel Compressor for Sale in Jordan 2024: Price List, Quotation & Supplier Guide

Four Wheel Screw Diesel Compressor for Sale in Jordan 2024: Price List, Quotation & Supplier Guide

Need a four wheel screw diesel compressor in Jordan but confused about cost and reliable suppliers? You're not alone. Construction and drilling businesses across Amman, Aqaba, and Irbid face sky-high equipment prices amid Jordan's 7.2% inflation rate (2023 Central Bank data). But here's the good news: We've cracked the code to getting competitive prices without compromising quality. Let's dive in!

Current Market Prices in Jordan (2024 Update)

The four wheel screw diesel compressor price ranges from \$8,000 to \$30,000+ in Jordan depending on:

- Airflow capacity (10-40 CFM models most common)
- Brand reputation (Chinese vs European suppliers)
- After-sales support packages

Local suppliers like Al-Khalidi Machinery report a 15% surge in demand since Jordan's \$1.5 billion Red Sea-Dead Sea Project began. This scarcity drives up costs - but smart buyers use these strategies:

Case Study: How AMMAN CONSTRUCTION CO. Saved 22%

This Jordanian contractor needed six screw diesel compressors for desert drilling. By comparing price per piece from Chinese manufacturers (ShanTui, Sullair) and German brands (Atlas Copco), they secured units at \$12,500 each - \$3,400 below local dealer quotes.

3-Step Buying Guide for Jordanian Buyers

- Request Multiple Quotations: Compare FOB prices from China vs CIF Aqaba Port costs
- Calculate Total ROI: Factor in Jordan's 5% import duty and 16% VAT
- Verify Supplier Credentials: Demand ISO 9001 certification and local service centers

Pro Tip: Chinese manufacturers now dominate 60% of Jordan's diesel compressor imports (2023 Jordan Chamber of Commerce data). Their 4-wheel models typically cost 30-40% less than European equivalents.

Where to Get the Best Deals Right Now

Top suppliers serving Jordan include:

- Hertz Equipment (USA) - Offers 2-year warranties
- XCMG (China) - Prices start at \$8,200 for 15 CFM units
- Atlas Copco (Sweden) - Premium-priced but longest lifespan

For urgent projects under \$20,000 budget, consider stock-ready options at Aqaba Free Zone warehouses. One

drilling company in Ma'an saved 18 days' lead time this way during last month's infrastructure rush.

Watch Out for Hidden Costs!

Many Jordanian buyers get shocked by:

Spare part markups (up to 200% on air filters)

Undisclosed fuel consumption rates

Weak after-sales support in remote areas

Always demand a detailed quotation including delivery to your site. The Jordan Standards and Metrology Organization (JSMO) requires clear Arabic-language specs - non-compliant units face 8-12 week customs delays.

Ready to lock in your four wheel screw diesel compressor price? Contact verified suppliers before Jordan's summer construction peak begins in June. Most offer Ramadan discounts until April 10 - perfect timing for budget-conscious buyers. Click here to compare live quotes from pre-vetted suppliers serving Amman and beyond.
