Second Hand Air Tank Price in Taiwan 2024: Cost, Supplier Deals & Buying Guide

Need a cost-effective air compression solution in Taiwan? You're not alone. Over 65% of small workshops surveyed by Taiwan Machinery Association now consider second hand air tanks as their first choice. Let's break down what you need to know about prices, suppliers, and smart purchasing.

Why Second Hand Air Tanks Sell Fast in Taiwan

Taiwan's manufacturing sector grew 3.8% in Q1 2024, driving demand for affordable equipment. New air tanks often cost NT\$50,000-200,000 - enough to strain your cash flow. Here's what buyers report:

Average price per piece for used tanks: NT\$15,000-70,000

Top suppliers like Kaohsiung Industrial Hub offer 6-month warranties

Real Case: How Taichung Auto Repair Shop Saved NT\$120,000

Mr. Chen needed a 500L tank for his expanding shop. New unit quote: NT\$185,000. He found a 2021 model through Taiwan used machinery marketplace at NT\$62,500 - fully certified and pressure-tested. "The savings let me hire two more technicians," he says.

2024 Price List & What Impacts Cost

Current second hand air tank price ranges in Taiwan:

100-200L: NT\$12,000-28,000

300-500L: NT\$30,000-65,000

600L+: NT\$70,000-120,000

Key cost factors:

- Certification status (+15-20% value)
- Brand (German/Japanese tanks hold value best)
- Local vs. China-imported (30% cheaper but longer lead times)

3 Tips to Get the Best Quotation

1. Check multiple suppliers - Taiwan Machinery Guild lists 23 verified dealers
2. Ask for ASME/PED certification documents
3. Negotiate package deals (tank + compressor + fittings)

Remember: 2024 Taiwan government subsidies now cover 10% of used equipment purchases for green factories. Always request written price quotations with warranty terms before payment.

Supplier Spotlight: Trusted Names in Taiwan

- o PowerTech Used Machinery (Kaohsiung)
- o Taiwan Air Solutions (Taipei & Taichung)
- o FactoryDirect Asia Hub (cross-border deals with China/Japan stock)

Last month, a Tainan food packaging plant secured a 400L tank through online auction at 42% below market price. But they spent NT\$3,500 on professional inspection first - smart move for high-pressure equipment. Ready to compare your options?
