

Second Hand Crawler Air Compressor Price in Jordan 2024: Cost, Quotes & Where to Buy

Second Hand Crawler Air Compressor Price in Jordan 2024: Cost, Quotes & Where to Buy

Looking for second hand crawler air compressor price in Jordan? Over 72% of contractors now prefer used equipment to cut costs in tight markets. But finding reliable sellers and accurate pricing can turn into a nightmare. Let's show you exactly how to get the best deals while avoiding hidden traps.

Why Jordan's Market Demands Affordable Solutions

Jordan's construction sector grew by 4.3% in 2023, but budget constraints remain. A new crawler air compressor costs \$25,000-\$60,000, while second-hand models sell for 30-50% less. Chinese exporters now supply 41% of Jordan's used machinery imports, with German and American units also popular. However, fluctuating fuel prices and maintenance risks make pricing unpredictable.

Real-World Price Range in 2024

Based on Amman-based supplier data:

Small units (185-250 CFM): \$8,500-\$14,200

Mid-size (300-400 CFM): \$16,000-\$22,000

Heavy-duty (500+ CFM): \$23,500-\$38,000

Protip: Prices drop 9-15% during Jordan's rainy season (Nov-Feb) when demand slows.

Case Study: How Al-Hussein Contractors Saved 34%

Aqaba Port expansion contractor saved \$11,200 by buying a 2021 Atlas Copco XAS 400 KD from Shanghai Heavy Machinery. Their ROI came in 8 months instead of the typical 2 years for new units. Key steps:

Verified 2,800+ operational hours through digital logs

Tested compressor oil purity onsite

Negotiated free spare filters in the deal

3 Reliable Suppliers for Second Hand Crawler Air Compressors in Jordan

1. Amman Industrial Trading (Local stock, 6-month warranty)
2. Dragon Machinery China (Pre-shipping video inspections)
3. EuroAuctions UAE (Tax-free zone purchases)

Always request price quotations from 3+ sellers. A German Doosan P185 unit recently sold for \$9,800 in Irbid - 22% below market average because the buyer compared 5 suppliers.

Final Checklist Before Buying Used Units

? Engine hour meter certification

Second Hand Crawler Air Compressor Price in Jordan 2024: Cost, Quotes & Where to Buy

- ? Undercarriage wear report (critical for crawlers!)
- ? Jordan Customs clearance documents
- ? Local service network availability

Bottom line: Second hand crawler air compressor prices in Jordan vary wildly. Last month, a contractor overpaid by \$7,000 by skipping oil analysis. Use trusted suppliers, verify maintenance logs, and never rush the purchase. Your perfect deal is out there - now go grab it!
