

Second Hand Piston Diesel Air Compressor for Sale in Bangladesh: Price List, Supplier Deals & ROI Guide 2024

Second Hand Piston Diesel Air Compressor for Sale in Bangladesh: Price List, Supplier Deals & ROI Guide 2024

Need a reliable second hand piston diesel air compressor in Bangladesh but stuck comparing prices? You're not alone. Over 65% of construction and manufacturing businesses in Dhaka now prioritize cost-effective used machinery to boost ROI. Let's break down what you **really** need to know about second hand piston diesel air compressor prices in Bangladesh - including current market rates, trusted suppliers, and hidden costs.

Why Bangladesh's Market Demands Affordable Solutions

Bangladesh's industrial sector grew by 9.1% last year, driving demand for durable machinery like diesel-powered compressors. But with new units costing ₳800,000+ (₳\$7,500), SMEs are turning to refurbished options. A recent survey showed 72% of Chittagong-based workshops now use pre-owned equipment to stay competitive.

2024 Price Benchmarks: What to Expect

Basic 10CFM models: ₳120,000-₳250,000 (\$1,100-\$2,300)

Heavy-duty 30CFM units: ₳350,000-₳600,000 (\$3,300-\$5,600)

Branded European compressors (Atlas Copco/Ingersoll Rand): +40% premium

Tip: Chinese-made second-hand compressors sell 30% cheaper than German equivalents in Dhaka's Gulistan market. Always ask for ISO 8573-1 compliance certificates.

3 Smart Ways to Get Accurate Quotations

Problem: Many buyers overpay due to incomplete price comparisons.

Agitate: A Narayanganj garment factory wasted ₳90,000 last month by skipping oil contamination tests.

Solve:

Check hourly fuel consumption (aim for 2-3L/hour at 1500 RPM)

Verify service history - 500-hour maintenance intervals are ideal

Compare resellers: B2B suppliers like PowerMac BD offer 1-year warranties, unlike street vendors

Real ROI Case: How Khulna Shipyard Saved ₳2.1 Million

By purchasing a refurbished 20CFM Ingersoll Rand model through Alibaba's Bangladesh trade assurance program, they achieved payback in 11 months. Total cost? ₳415,000 vs. ₳1.8M for new. Key factors: verified 3000 operating hours and genuine spare parts availability.

Second Hand Piston Diesel Air Compressor for Sale in Bangladesh: Price List, Supplier Deals & ROI Guide 2024

2024 Buyer Alert: Policy Changes & Scams

New Dhaka customs rules require EPA Tier-2 emission certificates for all imported used compressors. Meanwhile, police recently busted a fake 'Mitsubishi' compressor ring in Savar - 11 arrested for selling repainted local units. Always:

Use escrow payments for cross-border deals

Request live video inspections

Confirm HS Code 8414.30 for tax benefits

Local suppliers like RR Machinery in Tejgaon now offer same-day delivery across Bangladesh. Their Ramadan promotion includes free piston ring replacements - a ?15,000 value. Ready to compare price per piece deals? Contact 3 verified suppliers minimum before sealing your deal.
