

Second Hand Screw Diesel Air Compressor Price in Mexico 2025: Cost, Quotation & Supplier Deals

Second Hand Screw Diesel Air Compressor Price in Mexico 2025: Cost, Quotation & Supplier Deals

Looking for second hand screw diesel air compressor in Mexico? Smart buyers know used industrial equipment cuts costs while boosting ROI. With Mexico's manufacturing sector growing 4.5% in 2023 (INEGI), demand for affordable diesel compressors has surged. Let's break down price trends, trusted suppliers, and how to negotiate the best quotation without risking quality.

Why Second Hand Screw Diesel Air Compressors? Cost vs. New Units

New screw diesel air compressors in Mexico cost \$15,000-\$45,000+. But pre-owned units slash prices by 30-60%. For example:

A 2020 Atlas Copco XAS 750 KD (250 CFM) sells for \$8,500-\$12,000 used vs. \$28,000 new
Refurbished Ingersoll Rand XP900V units start at \$9,800 - 45% below retail

Why overpay? Many used screw diesel compressors come with service records and warranties from certified resellers.

2025 Price List: What to Expect in Mexico's Market

Demand for second hand industrial machinery in Mexico is rising due to nearshoring. Here's the latest price per piece data:

Small units (10-30 CFM): \$5,000-\$8,000
Mid-range (50-150 CFM): \$8,000-\$20,000
Large industrial (200+ CFM): \$20,000-\$40,000

Tip: German-made Kaeser models hold value better than Chinese brands. But suppliers like Rotair Mexico offer certified refurbished units with 12-month warranties.

How to Avoid Scams: Supplier Checklist for Buyers

Mexico has 300+ used machinery dealers, but only 20% are certified. Follow this buying guide:

Verify supplier licenses (NOM certifications)
Demand oil analysis reports and maintenance logs
Ask for onsite testing in cities like Monterrey or Guadalajara

Top-rated sellers include Maquinaria Chicago (12 locations) and China's Taizhou Shiurong Machinery, which ships to Mexico at 7% lower costs.

Case Study: Cement Plant Saves 35% with Used Compressors

A Queretaro construction firm needed 3x 100 CFM units but had a \$50k budget. By buying refurbished screw

Second Hand Screw Diesel Air Compressor Price in Mexico 2025: Cost, Quotation & Supplier Deals

diesel air compressors from a Mexico City wholesaler, they saved \$17,200. The deal included free delivery and a trade-in program for old piston compressors.

Future Trends: Mexico's Tax Incentives for Used Equipment

Mexico's 2024-2025 Industrial Renewal Program offers 15% VAT rebates on certified second-hand machinery imports. Partner with suppliers registered under IMMEX to maximize savings. Want a custom quotation? Contact Grupo ARA's industrial division - they've brokered 1,200+ deals since 2020.
